

## Electricity Market Plan Price Fact Sheet for Residential Customers in Queensland

**TABLE A: The following table represents an estimated annual cost of the TRUenergy ELECTRICITY market contract:**

	Go For More	10% accredited GreenPower	20% accredited GreenPower	50% accredited GreenPower	100% accredited GreenPower
2 MWh (low usage)	\$509.86	\$522.02	\$534.18	\$570.89	\$631.92
5 MWh (medium usage)	\$1,131.17	\$1,161.58	\$1,191.99	\$1,283.75	\$1,436.33
8.5 MWh (high usage)	\$1,856.04	\$1,907.73	\$1,959.43	\$2,115.42	\$2,374.81

	Go Easy	10% accredited GreenPower	20% accredited GreenPower	50% accredited GreenPower	100% accredited GreenPower
2 MWh (low usage)	\$525.62	\$538.16	\$550.70	\$588.54	\$651.46
5 MWh (medium usage)	\$1,166.15	\$1,197.50	\$1,228.85	\$1,323.45	\$1,480.75
8.5 MWh (high usage)	\$1,913.44	\$1,966.73	\$2,020.03	\$2,180.85	\$2,448.26

	Go Green 10% accredited GreenPower
2 MWh (low usage)	\$525.62
5 MWh (medium usage)	\$1,166.15
8.5 MWh (high usage)	\$1,913.44

**NOTES:**

- Electricity costs assume consumption is spread evenly over the year. Electricity costs are based on peak only consumption (i.e. any rebates and hot water charges). For hot water charges see TABLE B below.
- The above costs for TRUenergy Go for More include the guaranteed 3% discount applicable to all charges on every bill.
- The costs **do not** include the additional 3% discount received on TRUenergy Go for More, TRUenergy Go Green and TRUenergy Go Easy when a bill is paid by the due date.

**TABLE B: The following table represents an estimated annual cost of 1.5MWh of hot water:**

1.5 MWh	Go for More		Go Green and Go Easy	
	Night Rate (Super Economy)	Controlled Supply (Economy)	Night Rate (Super Economy)	Controlled Supply (Economy)
	\$126.76	\$186.62	\$130.68	\$192.39

**NOTES:**

- Based on consumption of 1.5 MWh (1,500 kWh) at the off peak price.
- This cost only includes the referenced commodity charge (i.e. there is no additional supply charge for off peak).
- The above cost for TRUenergy Go for More includes the guaranteed 3% discount applicable to all charges on every bill.
- The costs **do not** include the additional 3% discount received on TRUenergy Go for More, TRUenergy Go Green and TRUenergy Go Easy when a bill is paid by the due date.

**TABLE C: The following table represents the exit fees applicable to certain TRUenergy market contracts:**

	Go for More	Go Green	Go Easy
Year 1	\$90	\$90	nil
Year 2	\$70	\$70	nil
Year 3	\$50	nil	nil

Prices noted in this price fact sheet are correct at time of printing and indicative only. All prices are GST inclusive. These prices are subject to change. TRUenergy makes reasonable attempts to keep this price fact sheet correct. All energy plans may not be available to every customer. Availability will depend upon location, consumption levels and credit history.
